

Second Grade Recommended Reading

Summer 2020

****Although we are not requiring a reading assignment over summer break, we ask that you and your child read together to build fluency and practice verbal/written responses about what they have read. Examples include: Retell beginning, middle and end, setting, characters, problem/solution and favorite part of the story.***

A reading goal of 400 minutes over summer is given. Minutes can be marked on the attached calendar.
